RMHC HONG KONG Administration Assistant

RMHC Hong Kong is a fast-growing organization looking for passionate talents to join. RMHC Hong Kong aims to create, find and support programs that directly impact the health and well-being of seriously sick children and their families that we have served for over 27 years while RMHC global has been serving worldwide for 50 years. We provide a 'home away from home' accommodation and 'family-centered care' services to ensure families stay close together while their child is undergoing hospital treatment.

To fulfil the rising demand for the unique services we provide, we are expanding from a 23-room Ronald McDonald House in Shatin, to a new and additional 66-room Ronald McDonald House in Kwun Tong. Having been the first chapter of the RMHC global network established in Asia in 1996, we are as committed as ever to providing shelter to those families confronted with the most difficult physical and psychological challenges with a child in serious sickness.
